Play Policy

Policy Statement

Set Your Sights is committed to providing quality play experiences for children aged 4-11yrs.

The club will endeavour to create a fun, safe and inspiring environment to allow all children to fulfil their potential, whilst supporting the key components of Every Child Matters:

Being healthy

Staying safe

Enjoying and achieving

Making a positive contribution

The club seeks to encourage and foster children's independence and self esteem by allowing them to make decisions as to how they want their club to run and how they would like their time to be spent at the club. We involve children in the planning of the club and regularly seek to review the facilities and toys that the club offers by sending home regular questionnaires for both parents and children to complete.

- We listen to the children's comments and respond accordingly.
- We give children the freedom to choose what they would like to do at the club.
- The children are allowed to choose any toys or equipment.
- We celebrate all cultures and diversities and incorporate this into our planning.
- We value every child and celebrate their achievements.
- The club regularly carries out observations to reflect on practice and to help children extend their play.

- We support the professional development of our Leaders and encourage them to develop their knowledge.
- We carefully consider the needs of all children working within the EYFS and provide all with appropriate opportunities to develop through their play. See the EYFS Policy.

This policy will be reviewed annually. This policy was updated on July 1st 2016.

Early Years Foundation Stage Policy

Policy Statement

Set Your Sights is committed to delivering the Early Years Foundation Stage (EYFS) as set out in the Statutory Framework for the Early Years Foundation Stage 2012. EYFS applies to all children from birth through to the end of their reception year. More information about EYFS is available from the Department for Education's website, we also have a copy of the framework available to view by staff and parents in the After School Club room.

The designated EYFS coordinator at the Club is the After School Club Manager, Lucy Norman. who is responsible for:

- * Identifying EYFS children when they join the Club, and informing the other staff
- * Determining the primary EYFS provider (typically, the school) for each child
- * Assigning a key person for each EYFS child
- * Ensuring that staff receive relevant EYFS training
- * Implementing a clear and consistent line of communication , so that the parents, Club and the primary EYFS provider (usually the school reception teacher) can easily exchange information.
- * Agreeing information sharing policies with the primary EYFS provider and gaining parental consent for this where necessary
- * Meeting regularly with the primary EYFS provider to discuss next steps for the development of each EYFS child.
- * For each EYFS child, the Club will deliver those areas of EYFS learning and development as are agreed with the parents and the primary provider in line with the clubs play policy.

In delivering these areas of learning and development staff will;

- Undertake observations and assessments in order to plan for each child's individual needs
- Plan and provide opportunities which are appropriate to each child's stage of development.

The Club provides a mix of adult-led and child-initiated activities. The Club always follows play principles, allowing children to choose how they occupy their time, and never forces them to participate in a given activity. We recognise the four overarching principles of EYFS:

A Unique Child: Every child is constantly learning and can be resilient, capable, confident and self assured. We use positive encouragement and praise to motivate the children in our care.

Positive Relationships: Children learn to be strong and independent through positive relationships. We aim to develop caring, respectful, professional relationships with the children and their families.

Enabling Environments: Children learn and develop well in environments in which their experiences respond to their individual needs and where there is a strong partnership between practitioners and parents/carers.

We observe children in order to understand their current interests and development before planning appropriate play-based activities for them. Children develop and learn in different ways and at different rates. The EYFS framework covers the education and care of all children in Early Years provision, including children with special educational needs and disabilities. We tailor the experiences we offer the children in our care according to their individual needs and abilities.

This policy will be reviewed annually. This policy was updated on July 1st 2016.

Escort Procedure of Children from Classroom to Club

Policy Statement

Set Your Sights maintains a strict policy when escorting children from the classroom to the club to ensure that the highest possible safety is given to each child.

Procedures

The Early Years and KS1 children will be collected from their classroom by a Leader who will call a register before taking the children to the Club.

A register will be given to each class teacher listing the children attending the club and they will be responsible for the children until collected at 3.15pm (Infants) and 3.20pm (Juniors).

If a child is coming to the club by last minute arrangement with the Co-ordinator/ Manager then his or her name will only appear on the register that the Manager holds.

Children who are not registered with the club cannot be collected or attend the club.

In order to maintain appropriate staff ratios, staff are unable to escort children to and from other clubs/ classes on the school premises after school, unless specific arrangements have been made with the Manager.

This policy will be reviewed annually. This policy was updated on July 1st 2016

Arrival at Club

Policy Statement

It is Set Your Sights policy to ensure all children feel welcomed and secure when arriving and throughout their time at the club.

Procedures

On arrival at the club the children will be helped to put away their belongings and any new children will be introduced to Leaders, and shown where the toilets are.

If a parent/carer of a school child wishes for them to attend another after school activity run by the teachers or other organisation, but still needs them to come to the after school club, the Co-ordinator/Manager must be told by the parent/carer. Furthermore, the child must let the Manager know before the activity that they are going to another club and the time it finishes. This will be marked on the register so that staff will know where children are at all times.

Once the children have settled down a register will be taken at 3.30pm to allow for all children to arrive at the club.

The children will be asked to say 'yes' once their name has been called and a mark will appear against it to show that they are attending the session.

At the end of the register the Manager will ask if anyone hasn't heard their name.

If a child's name hasn't been called and they think they are attending but have not appeared on the register, the parent/carer will be contacted to either collect the child (depending on numbers) or to ascertain whether they will be staying at the club.

If the Manager is unable to contact the parents/carers the child will remain in the club until alternative arrangements have been made. The Head teacher will be informed that no parent/carer has collected the child after school.

It is the known parent/carer's responsibility to inform the club if the child will not be attending a session.

If during the register a child does not reply to their name firstly, the Manager will check with the child's teacher or secretary to find out whether they attended school and if they were collected by a parent/carer. If the child did attend school the Manager or a Leader will check around the school premises before contacting the child's parents/carers.

If the Manager is unable to get in contact with the parents/carers or the emergency contact, the Police will be called. Please see Lost Child Policy.

A full report of the incident will be recorded and filed.

If all children are accounted for, all Leaders will be told the number of children attending the session. The number will also appear on the bottom of the register.

Visitors to the club will be asked for ID, must wear a school visitor badge and to sign the school visitors' book.

All visitors will be made aware of the clubs fire procedures and the location of the toilets.

It is Set Your Sights duty to safeguard the welfare of children therefore, anyone who is not a visitor to the After School Club or is not recognised by the Manager or Leaders will be asked to leave the school premises. If they refuse to leave the Police will be called.

This policy will be reviewed annually. This policy was updated on July 1st 2016

Collection of Children from Club

Policy Statement

It is Set Your Sights policy to ensure that all children are safely collected from club by the appropriate named person.

Procedures

Children can be collected from the club at anytime from 4:45pm to 6pm.

Parents/carers must sign out children as they are collected. This is so staff are always aware of numbers.

The club operates a password policy for people not known to the club in order for them to safely collect a child. If someone comes to collect a child who is not the known parent or carer they will be asked for the agreed password by the staff. If they give the correct password and the child knows the person they will be allowed to leave. Once the password has been used it will be changed to ensure the child's safety. Set Your Sights will refuse collection of a child if a password has not been set in advance via writing or through the Set Your Sights email address.

It is the known parent or carer's responsibility to inform the club if another person wishes to collect a child.

Set Your Sights will refuse collection of a child if a parent or carer arrives and is deemed to be intoxicated with either drugs or alcohol. The decision will be made by the Manager to telephone the emergency contact number and make arrangements for the child to be collected by them.

If the parent/carers becomes abusive or displays threatening behaviour, the Police will be called. Set Your Sights has a duty to Safeguard the welfare of the child therefore, no hesitation will be made when calling the Police.

A full written report of the incident will be recorded and filed.

If a parent or carer is late collecting a child, they will be looked after by the Manager until collection is made, parents will be reminded that punctuality is paramount to a well organised club.

If parents/ carers regularly abuse the 6pm deadline for collecting their child the following procedure will be initiated: -

In the first instance they will be issued with a warning by the Manager or Director and encouraged to collect their child on time.

If they persist in being late within the School half term, they will be asked to leave the club and find alternative childcare, which can accommodate for late collection times.

It is not the clubs intention to penalise those parents or carers who regularly collect their child on time but to deter those who consistently break the rules. If a parent/ carer is unexpectedly delayed, the After School Club should be contacted on - 07903 051030.

This policy will be reviewed annually, This policy was updated on July 1st 2016.

Uncollected Child

Policy Statement

In the event that a child is not collected by an authorised adult at the end of a session, Set Your Sights will put into practice agreed procedures. These will ensure the child is cared for safely by an experienced and qualified Manager who is known to the child. The club will ensure that the child receives a high standard of care in order to cause as little distress as possible.

We inform parents/carers of our procedures so that, if they are unavoidably delayed, they will be reassured that their child will be properly cared for.

Procedures

If a parent/carer is held up by unforeseen events and they are unable to pick the child up by 6.00pm they must try and contact the Manager to explain the reason and advise of the collect time or alternatively, advise of another person collecting and set a password.

If no contact is made, the Manager will phone the contact numbers provided on the registration form.

If there is no reply the Manager will phone the Emergency Contact numbers. If the person is unknown to club but are listed on the registration form, they will be asked to bring proof of identity.

At 6.45pm if the parent/carer has not made contact with the Manager/Director, Social Services will be informed.

A message will be left for the Parent or Carer advising them of the action that has been taken.

A full written report of the incident will be recorded and filed

This policy will be reviewed annually. This policy was updated on July 1st 2016.

Lost Child

Policy Statement

At Set Your Sights child's Safety is maintained as the highest priority at all times both on and off the premises. Every attempt is made through carrying out arrival/collection procedures to ensure the security of the child is maintained at all times. In the unlikely event of a child going missing the lost child procedure is followed.

Procedures

A lost child is defined as a child who has arrived and been registered at the club but has since gone missing.

As soon as it has been noticed that a child is missing the Co-ordinator will be notified along with other Leaders who will endeavour to find out where the child was last seen.

The Co-ordinator will carry out a thorough search of the premises whilst the other members of staff are reassuring the children.

If the child is found but unwilling to return to the setting, a member of staff will stay with the child until the parents or carers are contacted.

If the child is still unaccounted for, the Co-ordinator will group the children together and call the register to make sure no other child has gone astray. In parallel, the school will be informed that a child has gone missing and asked to help with the search.

If the child isn't found the parent or carers will be contacted and alerted to the situation. With their agreement the Police will be called and the child will be reported as missing.

The search will continue until advised by the police to stop and depending on staff ratio.

If the parents or carers can't be contacted, the Co-ordinator will contact the Emergency number supplied on the registration form (Please see appendices, for a copy of the registration form).

If they can't be contacted the Police will be called straight away and the child will be reported as missing

After contacting the police the Co-ordinator will call Set Your Sights Director Tom Pearce and report the incident.

Mr. Pearce will come to the After School Club and together with the Co-ordinator will speak to the parents or carers. He will carry out a full investigation into the incident. The Co-ordinator will write a full report into the incident detailing:

- The date and time of the report

- What Leaders/children were at the club/group and if relevant the name of the designated Leader responsible for the lost child

- When the child was last seen at the club

- What has taken place at the club before and since the child went missing

- The time estimated that the child went missing.

The Co-ordinator will also conduct a full risk assessment and report to staff the findings and any additional changes which are to be made.

If the situation warrants a Police investigation all Leaders must fully co-operate. Ofsted will be informed of the incident in writing and the outcome of the report. The insurance company will also be informed of the incident.

This policy will be reviewed annually This policy was updated on July 1st 2016.

Procedure in the event that the club is unable to operate

Policy Statement

The club will endeavour to operate at all times by ensuring staff back up at short notice. However, in unforeseen circumstances it may be in the best interest of the child's safety that club does not operate.

Procedure

In the event that the Manager/Deputy Manager/Leaders are unable to work, as much notice will be given to the parents/carers to ensure suitable childcare arrangements can be made. However, in the event that the club cannot operate at short notice, the Manager will inform the Director Mr. Pearce and together they will contact parents and advise them of the situation.

Fees will be credited if the club cannot operate as planned.

This policy will be reviewed annually. This policy was updated on July 1st 2016

Fire Safety and Emergency Evacuation

Policy Statement

Set Your Sights premises present no risk of fire by ensuring the highest possible standard of fire precautions. The Manager and Leaders are familiar with the current legal requirements.

Procedures

In accordance with Cringleford Primary School, we follow their fire safety risk assessment. In line with the schools policies all Fire doors are clearly marked and are never obstructed. All smoke detectors/ alarms and fire fighting appliances conform to BSEN standards.

Fire drills are carried out to ensure all children know where the meeting points are. These are:

Playground at the rear of the school, or
Car park at the front of the school.

Staff will additionally be organised so that they know what their role will be, for example, one Leader checks the toilets to make sure no child is left, another helps the children leave the school and finally one collects register, contact folder, first aid kit and contact telephone.

New members of staff will be made aware of the fire drill procedures in their induction.

When the children arrive at the meeting point, the Manager will call out the register including the children's surname. The children will be expected to say their full names back.

If it is not a drill, the fire brigade will be called by the Manager/Leader

Children will not be allowed back in the building until the fire brigade has deemed it safe.

A report will be written by the Manager.

All fire drills will be recorded using the fire drill forms (Appendix B) which are stored in a locked cupboard. The form includes information on:

- how many children there were,

- initials of staff
- date
- whether the fire drill went to plan.

This policy will be reviewed annually. This policy was updated on July 1st 2016

Manual Handling Policy

Policy Statement

Manual handling is one of the major causes of absence through injury in the workplace. At Set Your Sights we work with our staff, provide training, and undertake risk assessments in order to eliminate hazardous manual handling activities as far as possible.

This policy is written with reference to the Health and Safety at Work Act 1974, which places a duty on employers “to ensure so far as is reasonably practicable, the health, safety and welfare of its employees”, and to the Manual Handling Operations Regulations 1992 (as amended).

Procedure

In order to limit the risk of injury from manual handling operations, Set Your Sights – Cringleford After School Club will:

- Eliminate hazardous manual handling activities, as far as is reasonably practicable.
- Assess the risks associated with any manual handling activities that cannot be avoided.

The purpose of the risk assessment is to reduce the risk of injury to the lowest possible levels, and should consider:

The task

The load

The individual undertaking the task

The working environment.

The main manual handling hazard at Cringleford After School Club is likely to be the setting-up and clearing-away of equipment. This is unavoidable, but staff should carry out the operation with reference to the guidance given in the manual handling training that we provide. It may be necessary to seek the assistance of an additional member of staff in order to minimise the risk of injury, for example when carrying tables and other heavy or bulky items.

Employee's duties

It is the responsibility of all staff at Cringleford After School Club to:

- Comply with any instructions and training provided in safe manual handling techniques
- Not put their own health and safety or that of others at risk by carrying out unsafe manual handling activities
- Report to the Manager any problems which may affect their ability to undertake manual handling activities, including physical and medical conditions (e.g pregnancy, back problems).

In summary

Avoid Whenever possible, avoid manual handling situations.

Assess If avoidance is not possible, make a proper assessment of the hazard and risks.

Reduce Reduce the risk of injury by defining and implementing a safe system of work.

Review Review your systems regularly, to monitor the overall effectiveness of the policy

This policy will be reviewed annually. This policy was updated on July 1st 2016.

If the child needs emergency treatment the Manager will accompany the child to hospital. All relevant paperwork such as the registration form, medication form, care plan etc will be taken to the hospital. Parents/carers are given the option to consent to this on the registration form.

If any injury requires treatment by a general practitioner, hospital doctor, or results in the death of a child or adult, Ofsted will be notified. We meet our legal requirements for the safety of our employees by complying with RIDDOR (The Reporting of Injury, Diseases and Dangerous Occurrences Regulations). Safeguarding Children

Policy Statement

Set Your Sights paramount concern is the welfare and well being of the child and we believe all children without exception have the right to be protected from abuse regardless, of gender, ethnicity, disability, sexuality or beliefs.

Our setting will work with children, parents, carers and the community to ensure the rights and safety of children, to give them the very best start in life

Set Your Sights will safeguard children's welfare by:-

- Being familiar with child protection guidelines laid out in both Set Your Sights policies and the Cringleford Primary School's policies.
- Making sure that children and parents are informed of the policy and procedures and regularly review them.
- Following safer recruitment, selection and vetting procedures
- Providing effective training, support and supervision to all Managers and Leaders.
- Not allowing Leaders to carry mobile devices with cameras on site (see Mobile Device Policy). The Managers phone on which parents contact in case of lateness or in an emergency will always be kept in full view of other Leaders and will never be used unless supervised by another Leader.
- Treating all allegations as highly confidential in line with Data Protection.
- Taking all concerns and allegations of abuse seriously

What is Abuse and Neglect?

Abuse and Neglect are forms of maltreatment – a person may abuse or neglect a child by inflicting harm, or by failing to prevent harm. Children and young people may be abused in a family or in an institutional or community setting; by those known to them or more rarely, by a stranger.

The different forms of abuse are:-

- Physical abuse may involve hitting, shaking, throwing, poisoning, burning, or scolding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces illness in a child.
- Emotional Abuse is the persistent maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to the child that they are worthless or unloved, inadequate or valued insofar as they meet the needs of another person. It may feature age or developmentally inappropriate expectations being imposed on the child. These may include interactions, which are well beyond the child's developmental capacity, as well as over protection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve or seeing the ill treatment of another. It may involve the serious bullying, causing children to frequently feel frightened or in danger, or the exploitation or corruption of children. Some levels of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone
- Sexual Abuse involves forcing or enticing a child or young person to take part in sexual activities, including prostitution whether or not the child is aware of what is happening. The activities may involve physical contact, including penetrative (e.g. rape, buggery or oral sex) or non penetrative acts. They may include non contact activities, such as involving children in looking at, or in the production of, sexual online images, watching sexual activities, or encouraging children to behave in sexually inappropriate ways.
- Neglect is the persistent failure to meet the child's basic physical and/or psychological needs, likely to result in serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born it may involve a parent failing to:
 - Provide adequate food, clothing and shelter (including exclusion from home or abandonment)
 - Protect a child from physical and emotional harm or danger
 - Ensure adequate supervision (including the use of inadequate care givers)
 - Ensure access to appropriate medical care or treatment
 It may also include neglect of, or unresponsiveness to, a child basic emotional needs

- Our Designated Safeguarding Lead (DSL) is Set Your Sights Director
Tom Pearce : 07881802769
- If the DSL is unavailable the Alternate Designated Safeguarding Lead is Manager,
Lucy Norman: 07903051030

The role of the DSL is to:

- Share information with the school and relevant professionals and support
Managers/Leaders
- Access information and liaise with outside agencies to ensure information is
up-to- date
- Collate information when there are concerns regarding a child
- Refer to the appropriate authorities

Procedures for a child making a disclosure

When a child makes a disclosure, the Manager/Leader must:

- Listen carefully
- Take it seriously
- Reassure the child that they are right to tell
- Not ask leading questions
- Explain what will happen next

At no point will a Manager/ Leader make promises to the child that they cannot keep such as, I won't tell anyone.

The Leader must record the conversation in the child's words using the Child Protection Incident Form (Appendix H) making sure they include:-

- The time of the disclosure

- The child's name

- The child's age

- The child's address

- Gender

- The date of the disclosure

- The Leader's name

- The date that they record the disclosure

- If anyone else was present

- Their signature

They must also mark on the body map (Appendix H) any physical indicators of abuse that the child has shown them or they have noticed. They **MUST NOT** conduct any kind of physical examination.

After the disclosure has been recorded the Manager must inform the DSL or ADSL.

Set Your Sights intention is always to work with the parents/carers and seek consent for information to be shared unless doing so places the child at increased risk of significant harm.

The DSL/ADSL will inform the Children's Multi Agency Safeguarding Hub (MASH) and/or the Police (see Appendix J for information on MASH). The DSL/ADSL will

also inform the School and Ofsted as soon as conveniently possible and Hiscox who provide our Public Liability Insurance.

All records will be treated as highly confidential and they will be stored in a locked cupboard with access only for the DSL/ADSL.

When abuse at home is suspected by Set Your Sights, we will continue to welcome the child and the family while investigations proceed.

Set Your Sights recognises that Managers/ Leaders involved in Safeguarding issues will find it distressing and therefore, will offer appropriate support and guidance.

Procedures for allegations against a member of staff

If a Manager/Leader is concerned over a colleagues/volunteers behaviour towards a child/ren, they have a duty to report this to the DSL/ADSL.

The DSL/ADSL will listen to the member of staff and record the allegations.

If an allegation is made by a child, the DSL/ADSL will record the allegation and contact the parents/carers

If an allegation is made against a Manager/Leader off site the same procedures will be carried out

The DSL/ADSL will report the allegations to the Multi Agency Safeguarding Hub (MASH) and/or the Police.

A full investigation into the allegations will be carried out to include, how the allegations were followed up and resolved, a note of any actions taken, and decisions reached. A copy of this investigation will be given to the accused Manager/Leader and a copy will be stored on file.

Suspension will be considered in any allegation where there is cause to suspect a child is at risk of significant harm, or the allegations warrants investigation by the police, or is so serious that it may be grounds for dismissal. However, any suspension will not be carried out without careful thought into the matter and is not an indication of admission to the alleged allegation

If the findings of the allegation warrant dismissal the Manager/Leader will be reported to OFSTED.

If the Manager/Leader resigns, it will not stop an investigation being carried out under these procedures.

If an allegation made by a child is deemed to be false the DSL/ADSL will still refer the matter to the MASH as the child concerned may be abused by someone else.

If the allegation by a child or member of staff is found to be deliberately invented or malicious then disciplinary action will be taken and in some cases the Police will be informed.

PREVENT

To safeguard individuals from radicalisation, Set Your Sights works to the Prevent element of the Government's Counter Terrorism Strategy, and where appropriate seeks external support for learners through referrals to the Channel Programme via the Multi-Agency Safeguarding Hub (MASH). This programme aims to work with the individual to address their specific vulnerabilities, prevent them becoming further radicalised and possibly entering the criminal justice system because of their actions. It is recognised that radicalisation can occur to an individual from any sector of society and is not particular to any racial, ethnic or social group. It is further recognised that in many instances the process of radicalisation is essentially one of grooming by others. The Prevent agenda includes influence on individuals by groups on the far right. (see 'Vulnerable To Radicalisation' a Practitioners Guide Appendix M). We follow our British Values Policy to further underpin safeguarding measures to prevent individuals from radicalisation.

All members of staff receive Child Protection Training and a range of information materials are made available to them to keep this up to date, examples of these are in the Appendices. Further to this all members of staff sign a declaration to say they have read and understood the Safeguarding policies and guidelines and will follow them accurately.

Intimate Care Policy

Policy Statement

Set Your Sights is committed to ensuring that all staff responsible for intimate care of children and young people will undertake their duties in a professional manner at all times. This After School Club takes seriously its responsibility to safeguard and promote the welfare of the children and young people in its care. The staff recognise their duties and responsibilities in relation to the Disability Discrimination Act which requires that any child with an impairment that affects his/her ability to carry out normal day-to-day activities must not be discriminated against.

We recognise that there is a need for children and young people to be treated with respect when intimate care is given. No child shall be attended to in a way that causes distress, embarrassment or pain. Staff will work in close partnership with parents and carers to share information and provide continuity of care.

Definition

Intimate care is defined as any care which involves washing, touching or carrying out an invasive procedure that most children and young people carry out for themselves, but which some are unable to do. Disabled children may be unable to meet their own care needs for a variety of reasons and will require regular support.

Our approach to best practice;

The management of all children with regular intimate care needs will be carefully planned via a Care Plan.

Staff who provide intimate care are trained to do so (including Child Protection, and Moving and Handling where appropriate) and fully aware of best practice.

Every effort will be made to provide any appropriate facilities needed to support a child, following assessments by professionals, such as a physiotherapist and/or occupational therapist.

There is careful communication with any child who requires regular intimate care in line with their preferred means of communication to discuss needs and preferences. Staff will be supported to adapt their practice in relation to the needs of individual children taking into account developmental changes such as the onset of puberty and menstruation. Children will be supported to achieve the highest level of independence possible, according to their individual condition and abilities.

Careful consideration will be given to individual situations to determine how many adults should be present during intimate care procedures. Where possible one pupil will be cared for by one adult unless there is a sound reason for having more adults present. In such a case, the reasons will be documented on the child's care plan.

For children with a care plan, Intimate care arrangements will be discussed with parents/carers on a regular basis and recorded on the care plan. The needs and wishes of children and parents will be taken into account wherever possible, within the constraints of staffing and equal opportunities legislation.

Where a Care Plan is not in place and a child has needed help with intimate care (in the case of a toilet 'accident') then parents/carers will be informed the same day. This information should be treated as confidential and communicated in person, via telephone or by sealed letter. Intimate care incidents are also recorded on an intimate care record form (Appendix D) and kept in the child's file which is confidential and kept in a locked cabinet.

Members of staff must be given the choice as to whether they are prepared to provide intimate care to pupils. Adults who assist pupils with intimate care should be employees of Set Your Sights, not students or volunteers, and therefore have the usual range of safer recruitment checks, including enhanced DBS checks. No member of staff will carry a mobile phone, camera or similar device whilst providing intimate care.

From a child protection perspective, it is acknowledged that intimate care involves risks for children and adults as it may involve staff touching private parts of a pupil's body. In this Set Your Sights best practice will be promoted and all adults (including those who are involved in intimate care and others in the vicinity) will be encouraged to be vigilant at all times, to seek advice where relevant and take account of safer working practice.

Any adult who has concerns about the conduct of a colleague at the school or about any improper practice will report this to the Director/Designated Safeguarding Lead Tom Pearce or After School Club Manager/Alternative Designated Safeguarding Lead Lucy Norman, in accordance with child protection procedures and 'whistle-blowing' policy.

All staff working for Set Your Sights recognise that disabled children are particularly vulnerable to all forms of abuse. Child Protection and Multi-Agency Child Protection procedures will be adhered to at all times. If a member of staff has any concerns about physical changes in a child's presentation (unexplained marks, bruises or soreness for example) s/he will immediately report concerns to the Designated Safeguarding Lead. If a child becomes distressed or unhappy about being cared for by a partic-

ular member of staff, the matter will be investigated by the Designated Safeguarding Lead or Multi Agency Safeguarding Hub depending on the issue concerned and outcomes recorded. Parents/carers will be contacted at the earliest opportunity as part of the process of reaching a resolution. Further advice will be taken from partner agencies. If a child makes an allegation about a member of staff this will be investigated in accordance with agreed procedures.

This policy will be reviewed annually. This policy was updated on July 1st 2016.

Whistle blowing Policy

Policy Statement

Set Your Sights works in accordance with the Public Interest Disclosure Act 1998 (commonly referred to as Whistle blowing) to support and encourage members of staff to speak out against any malpractice in our setting where they have reasonable belief that the following breeches or offences are being carried out:-

- A criminal Offence
- A breach of legal obligation
- A miscarriage of justice
- A danger to the health and safety of an individual
- Damage to the environment or
- Deliberate covering up of information tending to show any of the above
- Procedure

Set Your Sights has the following procedures to ensure that concerns are dealt with effectively and efficiently and will do all that we can to preserve the confidentiality of staff who raise concerns.

The procedure seeks to encourage and enable members of staff to disclose information through the appropriate channels first, rather than going to an outside person or body.

The first stage would be to share any concerns verbally or in writing with the Manager of the club or if unavailable then Mr. Pearce. However, this depends on the seriousness and sensitivity of the issues involved and who is suspected of any wrong doing. As a third option staff can raise concerns with Child Protection agencies within Norfolk County Council via MASH. Staff who wish to put their concerns in writing are advised to include the following:-

- Any Background information
- History of the concern

- Names of people etc
- Places if relevant
- The reason for making the disclosure

Set Your Sights will quickly respond to any concern.

In order to protect the member who raises the concern and those accused of wrongdoing, initial enquires will be made to decide whether an investigation is appropriate and, if so, what form it should take.

Concerns or allegations that fall within the scope of specific procedures (for example, conduct or discrimination issues) will normally be referred for consideration under those procedures. Some concerns may be resolved by agreed action without the need for investigation. If urgent action is required this will be taken before any investigation is conducted. Staff will be told how we propose to deal with the concern within ten working days of it being brought to the clubs attention.

All concerns will be treated in the strictest confidentiality and every effort will be made not to disclose the identity of any member of staff, unless they wish us to do so. However, at some point in the investigation it will be necessary to make the origin of the complaint known to the person or persons the allegations concern. Mr. Pearce will assess whether it is reasonable to withhold the name of the complainant for such reason as risk of harm to them.

Complainants should be aware however, that their identity might be revealed by inference

The Club accepts that deciding to report a concern can be very difficult and uncomfortable and that it is usually made in good faith however, if the club finds that the person has made an allegation frivolously, maliciously or for personal gain, disciplinary action may be taken against them.

It is Set Your Sights intention to respect the privacy of all children and their parents / carers, while ensuring that they have access to high quality childcare. We aim to ensure that all parents and carers can share their information in confidence and it will only be used to enhance the welfare of their child/ren.

Procedures : Confidential information includes registration forms, signed consents, correspondence concerning the child or family, first aid/intimate care logs, incident forms or reports or minutes from any meetings.

Any information either verbal or written which is given to Manager/Leaders by parents/carers will be kept confidential either to the individual Manager/Leader or if appropriate within the team. However, if the parent/carer shares this information with other parents as well as staff; the club can't be held responsible if it is shared beyond those parents whom the person has confided in.

The Manager/Leader at Set Your Sights will respect the privacy of children and their parents/ carers by:-

- Not giving out any private information without the consent of the parent/ carer unless in circumstances where Leaders have good reason to believe that a child is at risk, or is likely to be at risk, of child abuse or neglect, the Safeguarding Children Policy will override confidentiality on a 'need to know' basis.

Our procedures for information sharing is based on the 7 golden rules as set out in Information Sharing: Guidance for Practitioners and Managers (DCSF 2008)

1. Remember that the Data Protection Act is not a barrier to sharing information but provides a framework to ensure that personal information about living persons is shared appropriately.
2. Be open and honest with the person (and/or their family where appropriate) from the outset about why, what, how and with whom information will, or could be shared, and seek their agreement, unless it is unsafe or inappropriate to do so.
3. Seek advice if you are in any doubt, without disclosing the identity of the person where possible.
4. Share with consent where appropriate and, where possible, respect the wishes of those who do not consent to share confidential information. You may still share information without consent if, in your judgment, that lack of consent can be overridden in the public interest. You will need to base your judgment on the facts of the case.
5. Consider safety and well-being: Base your information sharing decisions on considerations of the safety and well-being of the person and others who may be affected by their actions.
6. Necessary, proportionate, relevant, accurate, timely and secure: Ensure that the information you share is necessary for the purpose for which you are sharing it, is shared only with those people who need to have it, is accurate and up-to-date, is shared in a timely fashion, and is shared securely.
7. Keep a record of your decision and the reasons for it – whether it is to share information or not. If you decide to share, then record what you have shared, with whom and for what purpose.

We therefore aim to keep parents and carers fully informed of policies, events and activities at the Club, by sharing information with them, answering questions and addressing any concerns, and by encouraging them to participate in the life of the Club.

Healthy Eating Policy

Policy Statement

At Set Your Sights we regard snack time as an important part of the day's routine as it provides an opportunity for children and adults to socialise and helps children to learn about healthy eating.

Our Setting aims to provide children with a well-balanced and nutritious snack that meets all children's dietary needs. We also try to provide children with different food experiences by providing opportunities to try and taste more unusual foods.

Procedures

Before any child starts to attend the Club we find out from parents through the registration form if their child has any dietary needs or allergies (Appendix A) This information is made aware to the Manager and all Leaders to ensure that children only receive food and drink that is consistent with their dietary needs as well as their parents' wishes.

We take care not to provide food containing nuts or nut products and are especially vigilant where we have a child who has a known nut allergy.

Typical examples of well-balanced snacks we offer are:

Cucumber and Carrots sliced into sticks with Tzatziki

Rice Crackers with cream cheese and sliced grapes

Fruit yogurt

Satsumas, apples and bananas.

Orange or blackcurrant squash and water

On special Cultural and Religious Celebrations we provide children with the opportunity to try associated foods.

All children who wish to eat are encouraged to wash their hands before snack and find a chair around a table of their choice. Food is placed in the centre of each table, by chosen helpers, and children are encouraged to help themselves to food and drink by staff. This develops independence through children making their own choices and encourages sharing skills and good table manners. Snack is organised so that they are social occasions in which children and staff participate.

Fresh drinking water is constantly provided throughout the day and children have access to drinking fountains and can ask to use them at any point throughout the session.

The Club also promotes healthy eating through food preparation activities, which encourage children to think about the food that they eat and to try different food.

Food Hygiene

All members of staff, involved in the preparation of food, have successfully completed a Food Hygiene Certificate.

Food purchasing, preparation, service and storage meet the appropriate standards for food safety and sanitation. All food, which needs to be kept chilled, is put on the appropriate shelf in the fridge and eaten before its sell by date.

Food, which is uneaten at the end of the day, will be thrown away or stored in the appropriate way.

All tables are wiped with antibacterial cleaner before any food preparation takes place and staff make sure that they wash their hands.

At the end of the week the fridge is cleaned out and the insides wiped with antibacterial cleaner.

This policy will be reviewed annually. This policy was updated on July 1st 2016

Medication Policy

Policy Statement

While it is not Set Your Sights' policy to care for sick children, who should be at home until they are well enough to return the club, we will agree to administer medicine as part of maintaining their health and well being or when they are recovering from an illness.

In many cases GP's can prescribe medicine which can be taken in the morning and evening, out of the clubs time. As far as possible, administering medicines will only be done when it would be detrimental to the health if not given at the club.

These procedures are written in line with current guidance in 'Managing Medicines in Schools and Early Years Settings'. The Manager is responsible for ensuring all Leaders understand and follow these procedures.

Procedures

Medicine will only be administered when parents/carers have given specific instructions detailing:

- Child's name
- Date of birth
- Name of medicine
- Dosage
- Times and dates to administer the medicine
- Batch number on the medicine and box
- Expiry date

Only prescribed medication will be administered. It must be in date and pre-

scribed for the child's current condition, with the batch number matching the medication and packaging. This will be clearly labelled with the child's name on and stored in the medication box inside a locked cupboard. No child will be able to administer medication by themselves without a member of staff being present, for example a child with asthma who needs an inhaler.

The administration of any medication is recorded accurately each time it is given (see Appendix Q) and is signed by the Manager/Leader who administered the medication. Parents/ Carers are asked to sign the form to acknowledge that it has been given.

The record will include:

- Child's name
- Date
- Age of child
- Name of Medication and strength
- Date and time of dosage
- Dosage given and method
- Signature of Manager/Leader and Parent/ Carer

All medication will be stored in the first aid box inside a locked cupboard. Medication, which is required to be kept chilled, will be stored inside the fridge in the school first aid room in a marked plastic box until the parent/ carer collects their child.

All medication, which is out of date, will be returned back to the parent/ carer to be disposed off.

For medication, which requires specific training, all individuals will be required to attend training provided by a health professional.

For children that have long-term medical conditions and may require ongoing medication a risk assessment will be carried out, and parents/ carers asked to contribute to it. A member of staff will be allocated to undergo relevant training to support the child's condition and how to properly administer the medication. This will form part of the risk assessment. Further risks will include any activities that may give cause for concern regarding the child's health and

arrangements for taking medication on an outing.

A health care plan will also be drawn up in partnership with the parent/carer and school, outlining the key person's role and what information must be shared with other staff that cares for the child. It will also include measures to be taken in an emergency. The health care plan will be renewed every 6 months or more frequently if needed. A copy of the plan will be given to the parent/carer and asked to sign it.

Over the counter Medicines

The club will not administer any medication unless a doctor has prescribed it.

This policy will be reviewed annually This policy was updated on July 1st 2016

Illness Policy

Policy Statement

Set Your Sights promotes the good health of children in our care through identifying allergies and preventing contact with allergenic substance and preventing cross infection of viruses and bacterial infections.

Procedure

When starting at the club parents are asked if their child suffers from any known allergies. This is recorded on the registration form. For children that have a known nut allergy, no food containing nuts will ever be given to the child and an alternative will be found if necessary. Set Your Sights endeavours to provide food that contains no nuts to all children as a preventative measure.

If a child arrives at club feeling ill or during the course of the session becomes unwell then it is the policy of the club to inform the parents/ carers.

If the child has a temperature, sickness, diarrhoea or pains, particularly in the head or stomach the Manager will contact the parents and ask them to collect the child as soon as possible.

If the parent or carer cannot be contacted, the club will phone the emergency contact and ask them to collect the child. In the rare event that we are unable to contact anyone and the child deteriorates, the Manager will assume responsibility and take the child to the hospital, along with the child's relevant details. A message will be left with the parent/ carer informing them of the situation. We seek consent for this from parents/carers on the registration form.

Concerns, Compliments and Complaints Policy

Policy Statement

Set Your Sights aims to provide a high quality, safe and consistent play provision for all children. We welcome suggestions on how to improve our setting and will give prompt and serious attention to any concerns over the running of the setting. We anticipate that most concerns will be resolved quickly by an informal approach to appropriate Manager/Leader. If this does not achieve the desired result, we have a set of procedures for dealing with concerns. We aim to bring all concerns about the running of our setting to a satisfactory conclusion for all of the parties involved.

Procedure

Making concerns/ complaint known:

Stage 1 - Any parent/carer who has a concern about an aspect of the club, must first talk over their concerns with the After School Club Manager – Lucy Norman.

Stage 2 - If this does not have a satisfactory outcome, or if the problem recurs, the parent/ carer should put their concerns/ complaint in writing to the After School Club Manager – Lucy Norman. All complaints will be stored at the club in the appropriate file designated for this complaint.

The Manager will investigate the concern/ complaint, when completed will meet with the parent/ carer to discuss the outcome.

Parents/carers will be informed of the outcome within 28 days of making the complaint. All outcomes of the complaint will be recorded and filed.

Stage 3 - If the parent/ carer is not satisfied with the outcome of the investigation then they can request a meeting with the Manager and the Director, Mr. Pearce. The parent/ carer are advised that they can have a friend or partner present if required by them.

An agreed written record of the discussion is made as well as any discussion or action to take as a result. All parties present at the meeting will be required to sign the record and receive a copy of it.

This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, the summative points are logged in the complaints Summary

Record. This is available for parents/carers and Ofsted inspectors on request. We currently have no complaints on file.

Stage 4 - If the complaint cannot be settled at stage 3, an external mediator is invited to help to settle the complaint.

The mediator will keep all discussions confidential and will keep an agreed written record of any meeting that are held and of any advice given.

Stage 5 - When the mediator has concluded their investigation, a final meeting between the parents/carers, Manager and Director will be held. The purpose of this meeting is to reach an agreed decision on the action to be taken to deal with the complaint. The Mediator's advice is used to reach this decision.

A record of this meeting, including the decision on the action, is made. Everyone present at the meeting signs the record and receives a copy. This signed record signifies that the procedure has concluded.

Parents may approach Ofsted directly during any part of this stage. Additionally, where there seems to be a possible breach of the clubs registration requirements, Ofsted will be involved.

The number to call Ofsted regarding a complaint is: 0300 123 1231 These details are also displayed on the clubs notice board.

This policy will be reviewed annually. This policy was updated on July 1st 2016

Behaviour Management Policy

Policy Statement

Set Your Sights believes in creating an environment where all staff consistently manage and encourage positive behaviour.

We believe that children need to learn to consider the views and feelings, needs and rights, of others and the impact that their behaviour has on people, places and objects. The club will strive to achieve this by encouraging, teaching and modelling correct behaviour and creating a positive environment with clear boundaries and expectations. We will also use the guidelines and themes set out in our British Values Policy to promote this.

Procedures

The Club's designated member of staff responsible for behaviour management is After School Club Manager - Lucy Norman.

Whilst at Set Your Sights we expect children to:

- Use socially acceptable behaviour
- Comply with the Club rules, which are compiled by the children attending the club
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at the Club
- Encourage positive behaviour in other children.

Positive behaviour is encouraged by:

Staff acting as positive role models

Praising appropriate behaviour

Using 'high fives' and reward stickers

Informing parents about individual achievements

Offering a variety of play opportunities to meet the needs of the children attending the Club

Regularly reviewing and updating club rules with the children.

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. All staff at the Club will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour:

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity. Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- Corporal punishment or the threat of corporal punishment will never be used.

If after management strategies and working on a agreed plan of behaviour with the parents/carers and child, a child continues to display inappropriate behaviour, the Club may decide to exclude the child for a one-week period.

The child will be able to return after this short break however, if the behaviour continues then the child will be permanently excluded from the club by joint agreement of the Manager, Director and Head teacher. A letter will be sent to the Parent/ carer outlining the clubs decision.

Physical intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a Manager/Leader has to physically restrain a child, the Director will be notified and an incident form will be completed. The Manager has attended 'Team Teach' training to ensure safe de-escalation and intervention strategies, so she will always be the first point of call in a situation of this kind. The incident will be discussed with the parent or carer as soon as possible and in some cases the parent/ carer may be asked to collect their children early from the club.

If staff are not confident about their ability to contain a situation, they should call the Director or, in extreme cases, the police. All serious incidents will be recorded on a serious incident form (Appendix E) and parents/ carers asked to sign the form. This may be used to build a pattern of behaviour, which may indicate an unknown underlying cause.

If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our Safeguarding policy.

Bullying

Set Your Sights defines bullying as the repeated harassment of others through emotional, physical, psychological or verbal abuse.

- Physical: Pushing, scratching, spitting, kicking, hitting, biting, taking or damaging belongings, tripping up, punching or using any sort of violence against another person.
- Psychological: Behaviour likely to create a sense of fear or anxiety in another person.
- Emotional: Being deliberately unkind, shunning or excluding another person from a group or tormenting them. For example, making another person feel 'left out' of a game or activity, passing notes about others or making fun of another person.

- Verbal: Name-calling, put-downs, ridiculing or using words to attack, threaten or insult. For example, spreading rumours or making fun of another person's appearance.

Staff, children and parents or carers will be made aware of the Club's position on bullying.

Bullying behaviour is unacceptable in any form. Any child who is a victim of bullying will be dealt with in a sympathetic manner. If bullying is suspected or reported, the incident will be dealt with immediately by a Leader, and then discussed with the Manager.

A clear account of the incident will be recorded in an incident form and parents/ carers will be asked to sign the form (Appendix E). All Leaders will be informed so that close monitoring of the victim and bully can begin. Parents of both parties will be informed.

Preventing bullying behaviour

Leaders at the Club will foster an anti-bullying culture in the following ways:

- Encouraging caring and nurturing behaviour
- Discussing friendships and encouraging paired, group and team play
- Encouraging children to report bullying without fear
- Discussing the issues surrounding bullying with the children, including why bullying behaviour will not be tolerated
- Exploring the consequences of bullying behaviour with the children.

Responding to bullying behaviour

The Club acknowledges that despite all efforts to prevent it, bullying behaviour is likely to occur on occasion.

If such incidents should occur, the Club will respond in accordance with the following principles:

- We will address all incidents of bullying thoroughly and sensitively.
- Victims of bullying will be offered the immediate opportunity to discuss the matter with a member of staff who will reassure the child and offer support.
- They will be reassured that what they say will be taken seriously and handled sympathetically.

- Staff will support the individual who has been bullied, keeping them under close supervision, and checking their welfare regularly.
- If another child witnesses bullying and reports this, staff will reassure them that they have done the right thing. Staff will then investigate the matter.
- If a member of staff witnesses an act of bullying, involving children or adults at the club, they will inform the Manager.
- Children who have bullied will be helped by discussing what has happened, establishing why the child became involved. Staff will help the child to understand why this form of behaviour is unacceptable and will encourage him/her to change their behaviour.
- If bullying behaviour persists, more serious actions may have to be taken, such as exclusion from the club for a one week period or permanent exclusion.

All incidents of bullying will be reported to the Manager and will be recorded on an Incident form (Appendix E). The Manager and Leaders will review the Club's procedures in respect of bullying, to ensure that practices are relevant and effective.

The club does not accept any form of bullying by either a child or adult.

E Safety and Mobile Devices Policy

Policy Statement

Set Your Sights recognise the benefits and opportunities that new technologies offer to deliver all of our services.

Use of technology to enhance skills, achievement and promote accessibility is encouraged. Set Your Sights is aware of potential risks and challenges that are associated with ICT and have implemented safeguards to support both children and staff to manage risks independently where possible, but we will also provide a support structure through a combination of security measures, and guidance where this is necessary.

Our duty to safeguard children and staff means that we will do all we can to make our children and staff stay e-safe.

This Policy sits alongside all the Norfolk County Council guidance below, which can be found on the Norfolk County Council intranet:-

- Staff Standards of conduct and behaviour

- Data Protection Policy

- Information Security Policy

- Safe use of images Guidelines

- Internet use guidance

- Social Media Guidelines

Scope of the Policy

This e-safety Policy applies to all use of all platforms such as websites, email and social networking, whether through desktop PCs, mobile devices and phones or games consoles.

Responsibility for e-safety

Overall responsibility lies with the Designated Safeguarding Lead/Director and Assistant Designated Safeguarding Lead/Club Manager. However, all staff are responsible for ensuring the safety of themselves and the children and should report any concerns or incidents immediately through the child incident form, following the safeguarding guidelines within the Policy.

NEVER ASK SOMEBODY ELSE TO LOOK AT SOMETHING YOU SUSPECT TO BE ILLEGAL – INFORM THE DSL AND CALL THE POLICE IMMEDIATELY.

Online communication must only be done through approved routes. Staff will actively promote e-safety through embedding good practice within sessions teaching children how to use ICT safely through safe surfing and setting the right security settings on their accounts.

Parents are responsible for use of ICT equipment in accordance with the acceptable use rules. They will be expected to seek help if they are worried or concerned that an e-safety incident has occurred. They must act safely and responsibly at all times when using the internet and mobile technologies, however use of devices in and around the setting is prohibited and parents will be asked to end calls and put such devices away.

Where any report of an e-safety incident is made, all parties should know what procedure is triggered and how this will be followed up. If there is a concern that a child, young person or vulnerable adult is at immediate risk of harm (for example viewing child abuse images or chat of a sexual nature with a minor online) call the Police on the emergency number 999. If the incident is not this critical, but after discussion with the Designated Safeguarding Lead appears to be illegal, the Police will be contacted after discussion with Norfolk County Council Child and Adult Protection Officers.

Use of images of customers

The use of images or photographs should only occur when there is no breach of copyright or rights of another person. This includes images downloaded from the internet and images belonging to, or of, staff or customers. Permission must be sought and consent given in writing before any images are used. It is our intention to never use photography within our setting, for any purpose. However, if this policy were to change, parents will be asked permission beforehand.

No image can be uploaded, downloaded, shared or distributed online without consent in writing on the appropriate forms which are on the intranet. The consent form must be scanned and kept in a dated folder with the image.

No photograph or image should be used including the personal details of the individual without their permission or where appropriate that of their parent or carer. Consent forms can be found on the intranet.

Personal Information

Processing of personal data is strictly monitored and must comply with the Data Protection Act 1998.

Any mobile ICT device (laptop, USB) must be encrypted; password protected and if appropriate, signed out by staff.

Cyber bullying, Sexting, Chat-danger

Resources can be found on the Childnet website <http://www.childnet.com/resources/esafety-and-computing>

Online Safety is about educating and empowering children and raising the awareness of risks and issues with adults. **Online safety is about safeguarding, not technology.**

At Set Your Sights children will not have access to devices that enable them to contact, chat or share images across the internet or mobile networks. On the rare occasion they may be using a laptop that is connected to the internet a member of staff will supervise.

We are aware that children have access to many digital technologies in other settings and at home and may disclose information whilst within the club, for example upsetting conversations or new people they may have met online. There are many risks when using digital technology. The main ones are internet predators/grooming, online bullying, the role of technology in sexualised behaviour (sexting) and radicalisation.

We will follow our Safeguarding Policy guidelines if any disclosure is made.

Mobile devices Policy

Set Your Sights has a policy that all mobile devices with a camera facility should be switched off during all activities where children and young people are present. The club managers phone is the only exception and will be in plain sight of all other staff and will be used only in an emergency or to contact the Set Your Sights office. When

this happens, they shall announce that they are using the phone and make all calls away from the children.

All staff should ensure that their mobile telephones are kept secure and out of reach of any children or young people or unauthorised adults, and that they are not used to take unauthorised images.

All visitors will be required to keep their phones hidden and any calls or any other form of communication must take place out of the setting.

No children will be allowed to use phones within the setting. Any phone that is discovered will be locked away and returned to parent on collection. We advise that children are not invited to bring any devices that can be used to take photos into the setting.

This policy will be reviewed annually This policy was updated on July 1st 2016

Social Media Policy

Policy Statement

The internet provides a range of social media tools that allow users to interact with one another, for example from rediscovering friends on social networking sites such as Facebook to keeping up with other people's lives on Twitter and maintaining pages on internet encyclopaedias such as Wikipedia.

While recognising the benefits of these media for new opportunities for communication, this policy sets out the principles that Set Your Sights staff and contractors are expected to follow when using social media. It is crucial that pupils, parents and the public at large have confidence in Set Your Sights' decisions and services.

The principles set out in this policy are designed to ensure that staff members use social media responsibly so that confidentiality of pupils and other staff and the reputation of the club are safeguarded.

Staff members must be conscious at all times of the need to keep their personal and professional lives separate.

Scope

This policy applies to all staff working for Set Your Sights, external contractors providing services on behalf of them, volunteers and other individuals who work for or provide services on behalf of Set Your Sights.

These individuals are collectively referred to as 'staff members' in this policy.

This policy covers personal use of social media as well as the use of social media for official Set Your Sights purposes, including sites hosted and maintained on behalf of them .

This policy applies to personal webspace such as social networking sites (for example Facebook), blogs, microblogs such as Twitter, chatrooms, forums, podcasts, open access online encyclopaedias such as Wikipedia and content sharing sites such as flickr and YouTube. The internet is a fast moving technology and it is impossible to cover all circumstances or emerging media - the principles set out in this policy must be followed irrespective of the medium.

Legal Framework

Set Your Sights is committed to ensuring that all staff members provide confidential services that meet the highest standards. All individuals working on behalf Set Your Sights are bound by a legal duty of confidence and other laws to protect the confidential information they have access to during the course of their work. Disclosure of confidential information on social media is likely to be a breach of a number of laws and professional codes of conduct, including:

- The Human Rights Act 1998
- Common law duty of confidentiality
- The Data Protection Act 1998
- Person-identifiable information, e.g. pupil and employee records protected by the Data Protection Act 1998

Staff members should also be aware that other laws relating to libel, defamation, harassment and copyright may apply to information posted on social media, including:

- Libel Act 1843
- Defamation Acts 1952 and 1996
- Protection from Harassment Act 1997
- Criminal Justice and Public Order Act 1994
- Malicious Communications Act 1998
- Communications Act 2003
- Copyright, Designs and Patents Act 1988.

Set Your Sights could be held vicariously responsible for acts of their employees in the course of their employment. For example, staff members who harass co-workers online or who engage in cyberbullying or discrimination on the grounds of race, sex, disability, etc., or who defame a third party while at work may render Set Your Sights liable to the injured party.

Principles

- Be professional, responsible and respectful
- You must be conscious at all times of the need to keep your personal and professional lives separate. You should not put yourself in a position where there is a conflict between your work for Set Your Sights and your personal interests.
- You must not engage in activities involving social media which might bring Set Your Sights into disrepute.
- You must not represent your personal views as those of Set Your Sights on any social medium.
- You must not discuss personal information about children, staff and other professionals you interact with as part of your job on social media.
- You must not use social media and the internet in any way to attack, insult, abuse or defame children, their family members, colleagues, or any other linked with Set Your Sights.

Personal use of Social Media

- Staff members must not have contact through any personal social medium with any child using Set Your Sights unless the child/ren are family members.
- Set Your Sights does not expect staff members to discontinue contact with their family members via personal social media once the company starts providing services for them. However, any information staff members obtain in the course of their employment must not be used for personal gain nor be passed on to others who may use it in such a way.
- Staff members should not have any contact with a child's family members through personal social media if that contact is likely to constitute a conflict of interest or call into question their objectivity.
- Staff members must decline 'friend requests' from children they receive in their personal social media accounts.
- Information staff members have access to as part of their employment, including personal information about children and their family members and colleagues or any general information must not be discussed on their personal webspace.
- Photographs, videos or any other types of image of children must not be published on personal webspace.
- Personal use of social media while at work is not allowed. Staff members are expected to devote their contracted hours of work to their professional duties.
- Caution is advised when inviting work colleagues to be 'friends' in personal social networking sites. Social networking sites blur the line between work and personal lives and it may be difficult to maintain professional relationships or it might be just too embarrassing if too much personal information is known in the work place.
- Staff members are strongly advised to ensure that they set the privacy levels of their personal sites as strictly as they can and to opt out of public listings on social networking sites to protect their own privacy.
- Staff members should keep their passwords confidential, change them often and be careful about what is posted online; it is not safe to reveal home addresses, telephone numbers and other personal information. It is a good idea to use a separate email address just for social networking so that any other contact details are not given away.

Staff are referred to Childnet website for up-to-date guidelines on using social media. <http://www.childnet.com/downloads/Teachers-and-technology>.

Promoting British Values Policy

Policy Statement

We recognise our role in promoting community cohesion, and actively encourage the participation in public life of all children who attend After School Club and their families. Promoting British Values is embedded in all we do to help children become responsible citizens both within After School Club and beyond, we do this through the five key British Values;

Democracy

Throughout their time at Set Your Sights After School Club there will be many occasions where children will have the opportunity to be involved in the democratic process, for example through voting and having their voices heard. We understand that the children's opinions about their club are valid and need to be a key part of our decision-making. All staff model the value of democracy through asking questions and inviting children's answers and opinions. Children are encouraged to develop their decision making skills, learn to make informed choices and take responsibility for them. Our behaviour policy makes it clear that children are expected to co-operate and take into account the views of others.

The rule of law

We consistently reinforce our high expectations of children and they are taught the value and reasons behind those expectations. They recognise that whilst we have rules at After School Club, other rules and laws exist in the country for the same reasons i.e that they are there to protect us, that everyone has to take responsibility for their own actions and that there are consequences when rules are broken. At the beginning of each academic year the children at After School Club agree a set of rules with their peers and the Leaders. These are then displayed in the room and referred to as necessary. The After School Club rewards good behaviour in a number of ways, including stickers, 'high fives', reward charts and special privileges. We have a clearly structured Behaviour Policy which everyone is expected to follow. Children are helped to learn to manage their own behaviour and take responsibility for their actions. We help children to understand the connection between actions and consequences.

Individual liberty

Children are actively encouraged to make choices. Through our provision of a safe environment and empowering activities, children are encouraged to know, understand

and exercise their rights and personal freedoms. Whether it is through their choice of activity, game to play or what to eat at snack time, our children are given the freedom to make many choices. Our activities also provide opportunities for children to be taught how to make safe choices.

Mutual respect

Respect is at the heart of our ethos and values. Children learn that their behaviour has an effect on their own rights and those of others. All members of our After School Club community are encouraged to have respect for themselves and for others. We support others by fundraising alongside the school for a variety of charities including Children in Need and Sport Relief. We provide opportunities for the children to develop respect for other people of different faiths and cultures. Special weeks, such as International Week, give parents and children the opportunity to share and celebrate their culture.

Tolerance of those of different faiths and beliefs

We provide opportunities to learn about a range of faiths and cultures. This includes providing children with an understanding of key celebrations and holy days, for example Diwali and Chinese New Year. We instil the need for all pupils to respect everyone regardless of their faith, beliefs and culture. Staff work hard to ensure that any cases of bullying and racism are dealt with effectively. Tolerance of different faiths and beliefs is a key part of the After School Club's work alongside the school itself to promote anti-bullying, for example during Anti-Bullying Week.

At Set Your Sights After School Club we will actively challenge children, staff or parents expressing opinions contrary to these fundamental British values, including 'extremist' views.
